YEALAND WI

The WI has had a busy month. On 25th May we had our summer outing to Tarn Hows and Brantwood. Blessed with fine weather, 8 walkers enjoyed the walk around Tarn Hows. The less energetic enjoyed time on Coniston and the delights of Brantwood house and garden.

At our June meeting Brian Hancock educated us about the butterflies and moths which can be found in the Yealands. His informative talk was excellent and the quality of the digital imagery added greatly to the experience. Confident of the increase in our knowledge butterfly spotting was high on the agenda for our June walk! Our circular walk to Warton Crag was on one of the warmest days of the year so far and we were able to enjoy spectacular panoramic views from the top of the Crag, a first for some of us. Our next walk is on the 21st July – a circular walk around Arnside leaving the Village Hall at 10.00.

July 14th is the date for our Annual Barbecue and our host this year is Dawn Hancock. The charge for member will be £3 and £5 for guests. We need to know numbers for catering and logistic purposes, so please let us know if you intend to come. Let's hope we are favoured with good weather to conclude a year of varied and enjoyable activities.

Please note there is no meeting in August. We meet again on 8th September for our AGM and social evening. Contact Valerie (Secretary) on 784805.

STICKY BUN

The Sticky Bun club is pleased to announce the arrival of a brand new tandem. All thanks go to Dawn Bentley and Small Sparks for the grant which enabled us to buy it. If anyone wants to ride it on a Sticky Bun ride, then it will have to be booked, and also there will be a small training course of 10 minutes first.

The next rides are 4th, 18th July, 1st, 15th, 29th August, 12th, 26th September. The one on the 15th August might be to the chilli festival which is taking place at Levens Hall.

Please ring Di Smith on 782341 or email on dianasmith1@mac.com if you are coming to check to see if it is still on, as recently we have been away some weekends.

Also people now need to wear helmets as it is a health and safety issue.
